

Jumpstart for new members

Last Updated Monday, 16 March 2009

If you are a new Kawida Lodge member, Jumpstart is just for you. The Order of the Arrow wants you to get off to a good start, so they've gathered the information you'll need to be successful and put it online – where it's easy for you to access.

Here you can catch a glimpse of the OA's rich history, discover more about your Ordeal experience, and learn how to seal your membership in the Order by taking the next step: Brotherhood membership. You will need your OA Handbook, so have it handy and check it out!
