## The Summer: In Review

### Old News

#### Great work so far!

---

2018 so far has been a wonderful year for Kawida Lodge. Our events have each gone wonderfully, we have added many new items to the trading post (there are more to come!), and through our Ordeals and service days have given our lovely camp improvements that will make it that much more camp-ready.

#### NOAC 2018 Report

---

This year's NOAC was a huge success. The trip was well planned and executed, but above all it was extremely fun. Each attending Arrowman was subject to educational trainings, good food (on tiny plates), and end of day sessions that renewed our

spirit of cheerful service. If you did end up with a free period, you could visit the trading post, go to any of the activities set up for that day, or even sit in on a class you never registered for! Some of the classes included Elangomat trainings, lodge management trainings, STEM classes, scuba, and snorkeling. At every turn there were Scouts set up with blankets, binders, and backpacks showing off and looking to trade awesome patches. NOAC 2020 will be held at Michigan State University, we hope to see you there!

Fall Fellowship is our yearly event where we set aside our duty of service to simply have some fun. This year will be no different, we have some awesome stuff planned that you won't want to miss out on. We will also be holding officer elections for our 2019 year. Make sure to register soon! Walk ins are allowed, but we prefer that you register online first.

### **Lodge Leadership Development**

Our yearly Lodge Leadership Development is meant to train the new lodge executives, but is open to all members of the lodge. We will be going over general leadership skills as well as skills pertaining specifically to lodge management. It is extremely important that all incoming lodge executives attend this event.

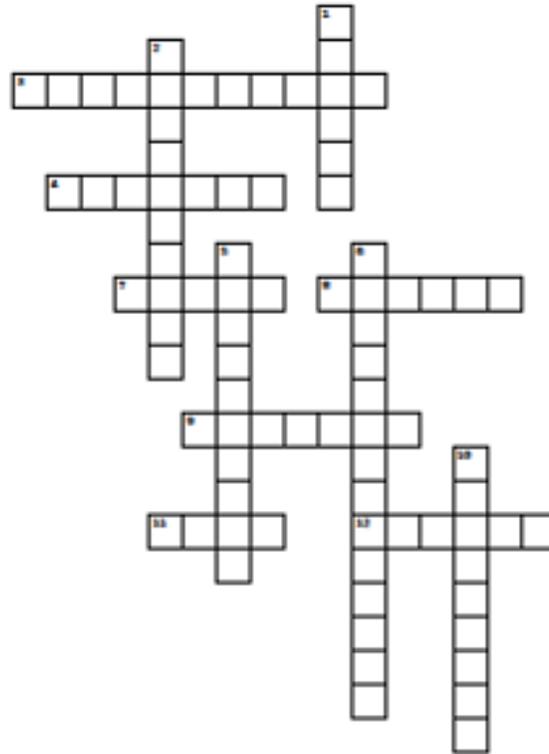

### **Winter Banquet**

Winter Banquet is our yearly welcome to the new lodge officers. We will have good food, good fun, and possibly even a live show. This Winter Banquet will be different from past banquets, and will definitely be one to remember. It is very important that you register for this event, as food for walk ins may not be provided. Registration will be put up closer to the date of the event.
